Una serie de alpagatas de alta calidad, cosidas a mano en España al modo artesanal, y con la selección de tejidos a la carta. Un calzado único fabricado uno a uno en nuestros talleres.

Las Yayas are a series of high quality espadrilles, sewn by hand in Spain following a centuries-old local tradition. We're using only the best fabrics and manufacture each espadrille one by one, thus making each pair of las Yayas one of a kind.
